Private experiences are available, please enquire at Spa Reception should you wish to book private sessions

**Every activity in our 7 Natural Living Program supports simple take-home lifestyle practices for sustainable Natural Living at home.**

# Natural Living Program

<b>HEALTHY BREATHING BASICS</b> Core Practices for Healthy Breathing	<b>FUSION FLOW YOGA</b> Movement for Mind, Body and Soul	<b>WARRIOR WORKOUT</b> Martial arts workout for strength	<b>FUSION RESTORE YOGA</b> Restorative therapy for inner stillness	<b>DAILY MINDFULNESS</b> Daily mindful practices for happiness and joy	<b>LIFESTYLE TAI CHI</b> Peaceful movement practise for relaxation
<p>Breathing is the only way to supply our bodies and its various organs with oxygen which is vital for our health. In our practice, we teach different <b>Yogic Breathing Techniques</b> including sat, simhasana, anulomaviloma, ujaayi breathing which all control prana or vital life energy.</p>	<p>Yoga practise leads to increased strength, flexibility, energy flow, relaxation and calms the mind. Fusion flow is a combination of <b>Hatha and Vinyasa flow styles</b> and our sets are customized to the resort's 7 daily Natural Living Practices.</p>	<p>Integral, take-home workout inspired by <b>the Shaolin Temple Animal Style Kung Fu</b> movements from the Dragon, Crane, Tiger, Leopard and Snake for ultimate strength and fitness.</p>	<p>Yoga practise leads to increased strength, flexibility, energy flow, relaxation and calms the mind. Fusion restore is a deep <b>Hatha Ayurvedicyoga therapy</b> practise with meditating in postures for focused durations. Fusion restore is customized to correct general body ailments and imbalances.</p>	<p>Simple ways to <b>practice daily mindfulness</b> inspired by Thich Nhat Hanh, by renowned Vietnamese Zen Master. Mindfulness is an energy that helps us recognize the conditions of happiness that are already present in our lives. That is why mindfulness becomes a source of happiness and joy if practiced daily.</p>	<p>Based on <b>Shibashi Tai Chi Qigong</b>, this gentle method is easy to learn and continue to practise at home. Consisting of 18 simple movements, repeated in a fluid, continuous way is great for good posture, deep breathing and relaxation.</p>

Program elements are inspired by the principles founded in the 7 Dimensions of Wellness philosophy and designed to easily incorporate into your daily life. Take home tools are available and **private lessons** can also be arranged to get you started on your wellness journey for sustainable Natural Living at home. Please contact Spa Reception for more information.
